

## FAASafety Team Flight Instructor Open Forum

At this open forum, we will discuss how to Prepare Pilots for the Unthinkable. Pilots react to emergency-situations the way they practice. Successful survivors have several things in common. These include knowledge, decision-making skills, and a cool demeanor. Come find out which pilots survived the accident and what they did right. It is worth the investment of your time! Please click on the link below and register as seating is limited !!!! Remember only those pre-registered will be notified by e-mail if a cancellation occurs due to inclement weather!

**Directions:** Go to second floor of Hangar 7, to Classroom 3 of Lehigh Carbon Community College.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
